JOLION

Contemporary Design

LED Headlamps with DRL

Futuristic LED Vision headlamps include split design DRL's that ensure optimal visibility on the road, day and night.

LED Taillights

C-Shaped LED taillights are uniquely expressive & highly visible for safety.

Aluminium Alloy Wheels

Sporty diamond cut 18" Alloy wheels will turn heads with style.

“Each of the Jolion’s features embodies innovative and fashionable design trends.”

Dynamic Steering

Dynamic steering has 3 modes: light, comfort or sport. Optimizing driving comfort at low speeds and safety at higher speeds.

Rotary Shift Dial

The fashionable Rotary shifter is easy to operate and together with Electronic parking brake enhance convenience & add elegance.

12,3" Infotainment Screen and Touch Panel

The floating 12.3inch infotainment system creates the perfect harmony between driver and technology. The touch panel adds to the ergonomic design of the interior layout.

“Exquisite and exclusive cockpit.”

***Design
Beyond Luxury***

CarPlay and Android Auto*

Always be connected. Thanks to Android Auto and Apple CarPlay, your phone and car become one.

Wireless Charging

The convenient wireless charger boasts a large surface area, with a safe and fast charge.

8,6" Heads-up Display with Traffic Sign Recognition

This futuristic colour head-up display (HUD) enhances your safety by displaying vehicle speed, traffic signs & even lane guidance.

“The interior surpasses user expectations in terms of luxury and intelligent equipment.”

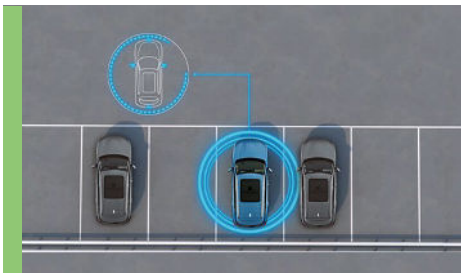

* Android Auto coming soon.

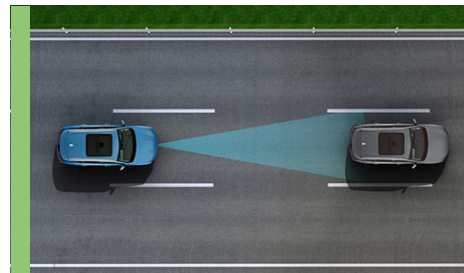

Lane Support System

This high-tech safety system includes Lane Departure Warning (LDW), Lane Keeping Assist (LKA) and Lane Center Keeping. They all work together to prevent you from unintentionally drifting out of your lane, assisting you when changing lanes and alerting the driver of any obstacles.

360 Panoramic View & Rear cross-traffic Alert

HAVAL Jolion is equipped with a 360-degree panoramic camera featuring 4 HD cameras. The rear cross-traffic alert with the use of radar sensors on the SUV prevent you from reversing into cars by alerting you when vehicles are detected from behind.

Adaptive Cruise Control & Autonomous Emergency Braking

The Adaptive Cruise Control (ACC) automatically adjusts the vehicle speed to maintain a safe following distance, which also includes Autonomous Emergency Braking (AEB). This automatically avoids collisions by detecting pedestrians or bicyclists and activating the brakes automatically.

Up to 6 Airbags

“The integration of 360° view, full-speed adaptive cruise, lane support system and other functions offer you intelligent and safe driving.”

Smart Safety

***Drive
Comfort***

7 Speed Dual Clutch Transmission

The second-generation 7DCT ensures seamless gear changes, is quieter & more efficient.

1,5 Turbo Power

The Jolion features a powerful yet eco friendly engine producing 105kw @ 210Nm and a measured 7,5L/100km giving you the best of both worlds.

Drive Modes

Jolion has 4 modes Standard, Eco, Sport & Snowfield so whether you want a fuel-saving eco-warrior, or your adrenaline sport mode, there's driving mode for every mood.

“Lighter mechanical structure, lower vehicle fuel consumption, highly efficient 7DCT enhance driving dynamics.”

Large Rear Space

Jolion features a 2700mm super long wheel-base that of a midsize SUV ensuring overall spatial demands are met through excellent head, leg room & luggage capacity.

Front Seats

Up to 6-way seat adjustment & zero gravity ergonomic seats ensure prioritised luxury and comfort.

Panoramic Sunroof

The panoramic sunroof adds wellness to the cabin and a sense of the outside world.

“Exquisite design and Flexible 26 Storage spaces.”

2700mm Wheel base

337 L trunk space, 1,133 L when the rear seats are folded down
